# TINTIN and ALPH-ART

The next morning ...

I'll wait for you in the car ...

See you later.

Ah, good morning, Mr Tintin.  
To what do we owe the pleasure?

Not so much a pleasure,  
Miss Martine ...

You see, I am more and more  
convinced that Mr Fourcart's  
death was not an accident.

Mr Tintin, you  
really believe ... ?

Yes, I do. And the proof is that  
yesterday, someone tried to kill  
me too.

What did you say?  
It can't be true!

Alas, yes ... only too true. Now,  
one single person knew that I  
was going to see Fleurotte at  
the garage.

Oh, yes ... And you know  
who that person is?

Absolutely, Miss Vandezande  
... And that  
person is ...

Yes?

YOU!

Me?

Yes, you! ... Who did you tell  
I was going to Leignault?

But ... but I told no one,  
I swear to you! ...

It's dreadful! ... You dare to  
suspect me ... Me who ... Me  
who ... No! ... Sniff ... sniff ...

She seems sincere, this girl ...  
But who, then? ... Who? ...  
I wonder ... Who? ...  
Wait ... Unless ...

Oh, it's obvious, why didn't  
we think of it before?

There, there! Don't cry any more!... I've thought of something. What if there are microphones hidden somewhere in the office? Bugs which record all conversations?

But why? ...  
Whatever for?

I don't know any more than you, but we'll look all the same...

Young Sherlock Holmes is taking his time.

Half an hour later...

**FOURCART**

Ah, there he is.

Well?...

Nothing!... I don't understand it at all.

Good. We'll go home.

Alright.

(1) See The Secret of the Unicorn

We'll start with the other tenants ...

**RING**

Mrs Tricot

Good morning, Madam. I am conducting a survey about solar-powered heating. Would you be willing to answer a few questions?

Come in, come in, young man!

Nothing there, I think ...

*A little later ...*

Now for the next flat ... patience, Snowy!

**RRRING**

Er ... What d'you want?

It's an opinion survey, sir ... About ...

I don't have an opinion.  
Not on anything! ...  
Now leave me alone!

**BLAM**

Where have I seen him before? ...

Oh yes! At that Endaddine Akass meeting ... One of the master's assistants ...

I wonder if he recognised me ... In any case, there must be a connection between Endaddine, the microphone ...

He certainly suspects something ... He came knocking on my door on the pretext of some opinion survey ... I understand ... We'll take care of him ... Yes, properly this time.

TO BE CONTINUED ...

The next morning ...

Take care! ... You never know, with these sort of people ...

Don't worry, I'm only going into the village.

There he is!  
Let's go!

GRRRRR  
WOOAH!

!

They're going to catch me!

This time, I'll finish the job! ...

My poor Tintin, this could well be the end! ...

BANG BANG  
SKRRRR!!!  
CRASH!

But who is trying to get rid of you?  
And why? ...

That's what I'm  
wondering, too ...

To my mind, it all revolves around  
that Endaddine Akass. He planted  
that jewel-microphone-transmitter  
on Miss Martine ... What for, if it  
wasn't to spy on Fourcart?

But it was you that  
definitely told me we had  
a fire!

We must find out more  
about this mystic ...

Yes, but where  
can we find the  
overdressed  
windbag?

Yes, where?

When Bianca Castafiore telephoned  
last week, she told me that she  
was going to spend a few days with  
him, on Ischia ...

Where's Ischia?

It's an island  
just off Naples.

I've got it!

*The next day, at dawn ...*

*10.30am, at Naples airport ...*

This is sheer, deliberate,  
unqualified masochism.  
To come 2000  
kilometres by air ...

... and another two hours by sea! ...

All to find Castafiore! ...  
We must be stark raving mad!

Taxi!

Here we are.

?

Tintin and Haddock. We made a reservation.

Indeed... Welcome to Ischia, Signore!

Please... we need a little information... Can you tell us where to find the villa belonging to Mr Endaddine Akass?

Easy, Signore.

You go out of the hotel, down to the beach. On your right, you'll see a huge cliff going down to the sea. On the top of that is the villa.

Thank you. So, Captain, what'd you say to putting our luggage in our rooms and going for a walk?

If you want...

A little later...

There - that must be it!

Hmm, I can't see anything...

Handy to take a dip from...

We'll have to climb higher...

Ah, we've got a good view here. Snowy, don't move.

Thundering...

Ramo Nash!

Ramo Nash?

Yes, the high priest of Alph-Art, the creator of that Perspex H which I bought ...

Oh yes ...

We must try to get into the house. I have a feeling ... in there lies the key to this whole mysterious business.

Yes, but how? We can't just break in like common thieves!

*Back at the hotel ...*

Right, here's what we'll do. We'll go back to our rooms and rest for a while, and try to think up a plan. We'll meet back here at midnight, to compare ideas ... and then we'll decide upon a course of action! Agreed?

I hear you.

Goodnight, lad.

'Night, Captain, until later ...

What a marvellous view!

**RRRIIIING**

The Captain, I expect. Has he thought up a plan already? ...

Hello ... Yes ... Yes, it is ...

Listen carefully ... There's a boat leaving in two hours. I strongly advise you take it ... The climate on Ischia doesn't suit you at all. It could even become very unhealthy for you.

But ...

Crumbs! ...

I'd better discuss this with the Captain ...

**KNOCK  
KNOCK  
KNOCK**

No answer ... and no noise from inside either! Has something happened?

That voice! It was Endaddine Akass, I'm sure.

(1) See The Blue Lotus  
(2) See The Broken Ear

Er... Certainly, whoever painted these has plenty of talent.  
But you know him!

It's our dear Ramó Nash. His latest brainwave is Alph-Art. Behind that front, he can happily fabricate paintings by the masters, which are then authenticated by a known expert. Poor Mr Fourcart didn't want to...

Besides, he wanted to expose the whole business to you. As for the unfortunate Monastir, he wanted to blackmail me. Poor fool!  
You got rid of him!...

I was forced to! As for you, young man, I'm afraid you know too much. You will have to disappear. You know César?

Ah, César, the sculptor - the master of compressionism. This is one of his works here, you see...

And this is one of his "Expansions"...

Well, my friend, we're going to pour liquid polyester over you... you'll become an expansion signed by César, and then authenticated by a well-known expert...

Then it will be sold, perhaps to a museum, or a rich collector... You should be glad, your corpse will be displayed in a museum.

And no one will ever suspect that the work, which could be entitled 'Reporter'...

... constitutes the last resting place of young Tintin. Ha! You, take him away, and lock him up.

Come on, move!  
Where's Snowy?

?

BLAM

Time passes ...

And at dawn ...

Get up! On your feet!

Now get moving. It's time for you to be turned into a 'César' ...

It's in there ... after you, my friend.

Good morning, my dear Tintin! Allow me to show you your last resting place ...

Up there, the loading hopper is full of polyester pellets. These flow into a large screw-thread, which grinds up the pellets, and heats them at the same time; this leaves a soft paste, which will run into the mould and imprison you in a nice rectangular block. Mr Nash will later pour coloured polyurethane over this and sign it 'César' ...

Now, if you would kindly step into the mould, time is pressing ...

Must play for time!

But ... ? Aren't you going to wait for Ramó Nash? ... After all, it'll be his piece of art I'll be imprisoned in ...

Oh, no! Mr Nash doesn't really appreciate our methods ... Ha! Ha! Ha! ...

Now the formalities are over with. ... get in! Let's go!

I can't breathe!

Stop it? I... I'd like to, but how do I stop this whatsit?

**AARGH!**

You! You're going to stop this infernal machine now!

Impossible!

Once the valve has opened, the mass of plastic running through it makes it impossible to close.

Heh, that's a good one...

Right, well, you can help me break open this box, and be quick!

I'll open this box myself...

OK, but I've got my eye on you. I'm watching what you're doing...

**CRACK!**

?

**STOP! ARE YOU MAD?**

**STOP BLISTERING BARNACLES, GIVE ME THAT AXE!**

And now, you're going to break open this crate, thundering typhoons!

Pull!... Come on!

**CRACK!**

**TINTIN!**

Wooah!

Tintin! ... Lad! ... In Heaven's name, say something! ...

**WOOOUAW...**

Captain ...

Hurray! ... He's alive!

The bandits ...

**WOOAH!**

Sea-gherkins! Pyrographers! Turncoats! Zapotecs! ...

Captain ...

We've got to get out of here ...

You think that you'll be alright to run?

Argh! ... They're barricaded the door with a plank of wood!

We'll do it, boss!

**BANG BANG BANG**

**CRASH**

They've gone!

There! They're getting away!

I'll stop them, boss, don't worry! ...

**BANG!**

Are you crazy?! ... The villa is full of their friends!!!

What's going on out here?! ...

**?**

I heard gunshots!...

It... er... It's nothing, Excellency... Some thieves we surprised, and...

Oh, how amusing! You must call Tintin, the young reporter, who we invited yesterday. This would certainly interest him!

That's true...

Impossible, he's the thief! Him and that bearded sailor!

No!...

What?!... That's impossible! Captain Paddock would never do something like that! He owns a country house!

And Tintin could never be suspected either!

That's true...

VROOM

Whilst you were defending them, they stole one of my cars, your dear friends!

Quick boss, after them!...

What's going on?

It's unimaginable!

Impossible!

The Master accused our friends Tintin and Captain Hammock of theft! It's unthinkable!

Myself, I've known Tintin and the Captain for ages, and I am certain that this is a mistake!

How did I get myself mixed up in all of this?...

This time, my dear Tintin, there's no point hoping - no one can help you now.

A few minutes later...

Captain Hardrock! It's impossible! There must be some sort of mistake!

Don't worry, Tintin, I've put in a plea in your favour. This can be nothing but a mistake!...

Have you called the police?  
I... I was just going to...

No one can help us now, eh?

You tell us your version, Tintin, whilst we wait.

Sorry, but they can't speak until the police arrive... Er, it's a legal technicality... you understand?

OK then.

Right, the police are on their way.

Shortly ...

Mr Akass ? Can you come with us to make a statement ?

Of course ...

You can make testimonies in favour of your friends in the late afternoon. You only have to present yourselves at the station.

You're going out, Mr Nash ?

Er ... Yes ... Just a little shopping in the village ... What can you do ? Life goes on, so they say.

Ah, the artists are truly blessed. Always above the problems of everyone ... But our poor friends ...

Don't worry ...

The police won't find anything on Tintin and Haddock ...

May the Madonna protect them ...

After all these years, how nice it is to see Tintin ... on his way to jail ! Revenge is sweet !

I'll drink to that !

Blistering Barnacles in jail ?

And just when I'd filled his pipe with my best explosives ! What a waste !

I'll bet that you're not real police officers !

Oh no ! We've been demasked !

Well done, kid. And I'll bet that you two haven't got long left to live ...

Here we are, everybody out.

As you see, my friends, for you, it's the end of the line! Ha! Ha! Ha!

Well, gentlemen, won't you sit down? I insist!

If you think that you can get rid of us that easily, think again! Your collaborator, in a moment of inspired brilliance, told our friends to go to the police station to plead our innocence!

And then? You were killed during your bid to escape. A simple call to your friends will tell them the bad news, and therefore they needn't bother going to the police station.

Quick! I must find help to save Tintin!

Yes, but you see, my dear friend, by this afternoon you will have had all the time to try to escape...

And... and then?

Hello, yes? ... What? A death?! ... Two deaths! ... OK, go on...

Tintin and Haddock...

**TINTIN?!**

Quick! Where is he?

Where? ... OK, I've got it ... we're coming!

You seem to have won, Akass. But tell me, why all this fuss? A forgery racket isn't on the same level as murder!

For someone supposedly intelligent, you still haven't figured it out. I'll give you a clue...

**NO!...**

**RASTAPOPOULOS!**

Ha! Ha!

But!... But?... It's impossible!  
I saw you go down with your launch  
in the Red Sea (1)... You're dead!

Ha! That's what I wanted you to think!  
But you know, we've met since that day,  
although you don't remember...

Some years ago, I organised the kid-  
napping of the famous millionaire  
Laszlo Carreidas, just before the  
International Astronautical Congress,  
to which you were invited as guests  
of honour... (2)

Unfortunately for me, the  
island we were on was des-  
troyed by a volcano... I  
managed to escape, but I'm  
not sure how, since at the  
time of the eruption, I became  
amnesic...

After my escape, I met Nash in Jamaica.  
I was impressed by his talent. It was then  
that I had the idea of dealing in forged  
art. A little plastic surgery, a few accessories  
and I became Akass. After recru-  
iting a few men to work  
for me, the project took  
off very quickly...

And Allan, the fresh-  
water pirate? Is he not  
with you?... Or is he  
disguised as one of these  
gorillas?

*Meanwhile, in the United States...*

And how did you persuade  
an artist like Nash to...  
You ask too many ques-  
tions, young man!

Allan? That idiot  
refused to help!  
He's in the United  
States now, after  
some peace and  
quiet...

But I'm not a fool, all these  
questions are just a ruse to  
gain some time, aren't they?  
Well, game over, my friend!

We've wasted enough time! Finish them!  
With pleasure, boss!...

(1) See The Red Sea Sharks  
(2) See Flight 714

I'd like to see you try that! ... Climb down there? With our hands tied?!

That's true ... any decent would be impossible on this side of the cliff ... and we can't turn back.

We'll follow the edge of the cliff round ... We should find a path that we can climb down ...

Right, let's move.

You're caught, Rastapopoulos!

Ssh! Captain!

**GIVE UP, RASTAPOPOULOS! YOUR MEN HAVE BEEN TAKEN PRISONER! YOU CANNOT ESCAPE! YOU'RE CORNERED!**

**BANG BANG**

Come on, Rastapopoulos! Don't make the situation worse! Face it - you've been caught.

Me? Caught? Alive?

Never! Hey, you down there! If you follow me too closely, I'll shoot them! And I'm serious!

**OK! GO AHEAD! WE WON'T FOLLOW!**

Good, now let's go! And no trying to escape, now, you understand?

**ARGH!**

**SNOWY!**

And now, we'll go back down to rejoin the others. Snowy, you take the pathway down.

Phew! Well, you certainly had an arrow escape ... no, a narrow ...

Definitely! ... But how did you find us here, in Ischia?

For some time, Akass had been suspected of an illegal traffic of old paintings ... We continued our enquiry, which led us here, when we met Mr Wagner at the police station.

Ah? ...

Come on, we'd better go down and find the ...

... the bandit.

That's right...

So, we met Mr Wagner at the station ... he told us of your bizarre arrest ... then we got a telephone call from Mr Mash ... er ...

Nash ... But Rastapopoulos didn't deal in old paintings, they were fakes.

Isn't that right, Mr Nash?

Er ... that's right...

But I'm not a bad man! I ... When Rastapopoulos met me, in Jamaica, I was only a penniless, unknown artist - I was starving!

... then Rastapopoulos turned me into an artist of international recognition!

And all I did was paint canvasses in the style of classical artists. It's a gift. I'd always done that ...

Rastapopoulos arranged for them to be authenticated by experts, and then the money started rolling in. Up until today, I didn't complain at all.

Ah! There! I ... I think I see him.

Is ... is he ... ?

Yes ... dead. God rest his soul!

When asked about recent events, the Emir said: "I knew that Tintin and Captain Haddock were innocent. In the cellar of the villa belonging to Rastapopoulos, the police found a large number of canvases ready for dispatch. There was nothing remarkable about this - Rastapopoulos often visited the villa. However, the matter became somewhat more curious when the paintings were signed by Picasso, Monet, Modigliani... and all looked genuine. They were, in fact, painted by Nash, who supplied the forging ring with duplicate masterpieces. They were then passed off as originals by Rastapopoulos, by having them authenticated by a well-known expert, Jacques Monastir and Henri Fourcart. # TINTIN *and* ALPH-ART

The twenty-fourth adventure of Tintin, "Tintin and Alph-Art", was left unfinished at the time of Hergé's death on the 3rd of March, 1983.

Since then, several artists have tried their hand at finishing this ultimate adventure of Tintin. Presented here is the version drawn by Yves Rodier, a Canadian artist, in an English translation by Richard Wainman.

The intention, when creating this translation, was to remain as faithful to the original as possible, and therefore, new place names and character names have not been anglicised. This practice, which was carried out by the English translators, Leslie Lonsdale-Cooper and Michael Turner for the books in the established canon, has not been used here.
