THE ADVENTURES OF TINTIN

THE BLACK ISLAND

MAMMOTH

THE BLACK ISLAND

Aha! A cosh! Useful for knocking people on the head.

Robbery, too! Here's the poor man's wallet, in your other pocket.

I'm innocent, I tell you! It's a trick. Someone planted the cosh and the wallet in my pockets while I was asleep... I've never seen them before.

What else can we do Tintin? The evidence is all against you.

It's true. Everything points to my guilt. And the guard can swear I was trying to get away. Very neatly planned. But why? And by whom?

The key to the handcuffs! Well done, Snowy. Bring it here!

An hour later...

Good! A village.
Perhaps I can hire a
car to take me to the
coast.

Just wait till I
get my hands on him!

To be precise...er
... just wait till
we get our hands!

Hello!

Tintin!

You!

Hey, stop!

That's what they call
putting your head
in the lion's mouth!

Stop him! Stop him!

Where's he gone?

Excuse me, sir. Have you seen a
young man running past your house?

Let me see. A young man,
you say. That'd be him I
saw, with a little white
dog. Going like the wind,
he was. Hid himself among
those trees, over there.

Aha! We've
got him!

Snowy!

Next morning...

... And what happened to Doctor Müller?

I'm afraid my men couldn't catch him. His car was standing just by the house. He hopped in, with his driver, and they went off at top speed. We hadn't a chance.

A pity. I'd give a lot to know ... why were they so anxious to get rid of me? Never mind. Perhaps I'll find a clue at the house, to put me on their track again ... The fire can't have destroyed everything ...

You're not getting out of bed?

Of course. I feel absolutely all right.

Heavens! There isn't much left of Dr. Müller's house: it's gutted.

I shan't find anything useful here ...

Electric cables. What can they be for?

They seem to go on ...

How odd. Where on earth can they lead?

Someone else is waiting for the plane!
... If they drop the load now we are
finished! ... We have got to stop them.
We must put out those lights. Here,
help me to cut the wires.

But...but chief...the
lights are still burning!

I wonder if they'll
come tonight.

O.K. to drop. I
can see the
lights.

Too late! There
is the plane.

One out!

Great snakes—they've
dropped something!

Let's see!

Tintin, confound him!

Two away!

Another!

That fell quite close.
It should be easier
to spot than the
first one.

I wonder what I'm
going to find!

Snowy! Up to your old tricks again!

That certainly seems to be the best solution...

Our friend has suggested that we spend the night here. It's getting late.

That's an invitation we'll certainly accept. How very kind of you.

Next morning...

...The dense fog that blanketed the British Isles during the night caused a number of accidents...

Off the Scottish coast this morning, fishermen from Kiltloch discovered floating wreckage of a light aircraft registration G-AREI. There was no trace of the crew, who are presumed drowned.

G-AREI!... The plane we followed: the same registration... Well, that puts paid to that. They're dead, poor devils.

Maybe, but I'd like to be absolutely sure. I'm going to Kiltloch ...to look around.

It's no above fifteen miles tae Kiltloch. But mind ye keep tae the path thra' the glen.

Thanks!

Fifteen miles: that's quite a step. We shan't get to Kiltloch before evening.

!?

Snowy! Come here!

Wooah!

Wooah! Wooah!

The Black Island!

They were quite right in Kilboch... It is a sinister place...

I think we'll explore the castle first.

That must be the staircase to the tower.

What a marvellous view!

It's locked!... We're caught in a trap!

Come on, let's find another way out...

THUMP

Too late!

If I can't knock him out this time, we're finished!

RHAAH!

Don't miss, Tintin!

Good heavens! He didn't even feel it!

BONK

What's he doing? He seems to be looking for something...

Crumbs!

RHAAH!
RHAAH!

Now the plane comes roaring down, skims over the field and shoots up like a rocket ...

Stop! We want to get down, d'you hear?

Now he's heading for the ground again... and into another flawless loop he goes, then... Good heavens! one of the passengers has slipped out of his seat... This is terrible!

Whew! What a stunt! That really had us fooled!

And this time he really is coming down... He's going to land... He's cut the motor...

He touches down... the plane bounces ...

...and does one last, hair-raising somersault before it comes to rest in the centre of the field.

A clear victory! The judges are unanimous...the aerobatic championship is yours!
